

STEAM GENERATOR

TYPE MGH

Comes in Minimalist Shape

MGH series generator has a minimalist shape and covered by a stainless steel. Steam bath control are equipped with 2 controllers.

**DIGITAL
CONTROL PANEL
TYPE PGH-990**

Product Specifications Steam Generator - TYPE MGH

TYPE	DIMENSION (mm3)			WEIGHT (KG)	Phase	AMPS (A)	VAC	Volume m ³
	L	W	H					
MGH-30	44	15	34	17	1/3	12.5	240	1-3
MGH-45	44	15	34	17	1/3	18.75	240	3-5
MGH-60	44	15	34	17	1/3	25	240	5-7
MGH-75	48	15	40	18	3	31.25	240	7-9
MGH-90	48	15	40	18	3	37.25	240	9-10
MGH-120	48	20	46	19	3	56.25	240	10-14
MGH-150	48	23	46	21	3	62.25	240	14-17
MGH-180	60	23	46	35	3	75	240	18-21
MGH-240	60	23	46	35	3	100	240	22-25

First Controller

First for temperature with heat sensor that separated, room controller used digital and analog for the generator to keep not excessively hot temperatures and has a durable generator.

Overheating Protection

complete with an overheating Protection (max 220c).

Stainless Steel Construction

The entire tank is made of stainless steel sus 304. Preventing rust and corrosion for longer lasting strength.

Optional Steam Nozzle

Optional steam nozzle specially designed steam nozzle to further improve the steam quality achieving smoother and more comfortable experience.

Bigger Water Tank

Water tank mgh is larger so that it can be used using steam for a long time

Exhaust Fan

Exhaust fans are very useful for cooling the steam generator engine to make it more durable

Water Filter

Filtering water from the water source to the steam generator to remove lime water and dirt that could cause the engine not to be optimizer

Power Supply Box Panel Electrical

Assistance to the power supply to the steam generator to prevent unbalanced power supply and sauna components to be safe
