MB7

Features

- Double overheat protector
- Floor mounted design
- Internal circulation system
- Digital control panel
- CE certified (UL standard)
- Incoloy 840 heating wire

Model	Voltage	Power	Suitable room size (m ³)	stone (KG)	Product size	Controller
MB7-50	220V 1Phase	5KW	3-6	45-55	393*385*695	External keypad
MB7-60	380V 3Phase	6KW	5-9	45-55	393*385*695	External keypad
MB7-75	380V 3Phase	7.5KW	8-12	45-55	393*385*695	External keypad
MB7-90	380V 3Phase	9KW	9-13	45-55	393*385*695	External keypad

MB8

Features

- Double overheat protector
- Floor mounted design
- Internal circulation system
- Digital control panel
- CE certified (UL standard)
- Incoloy 840 heating wire

Model	Voltage	Power	Suitable room size (m ³)	stone (KG)	Product size	Controller
MB8-50	220V 1Phase	5KW	3-6	65	320*905mm	External keypad
MB8-60	380V 3Phase	6KW	5-9	65	320*905mm	External keypad
MB8-75	380V 3Phase	7.5KW	8-11	65	320*905mm	External keypad
MB8-90	380V 3Phase	9KW	10-13	65	320*905mm	External keypad

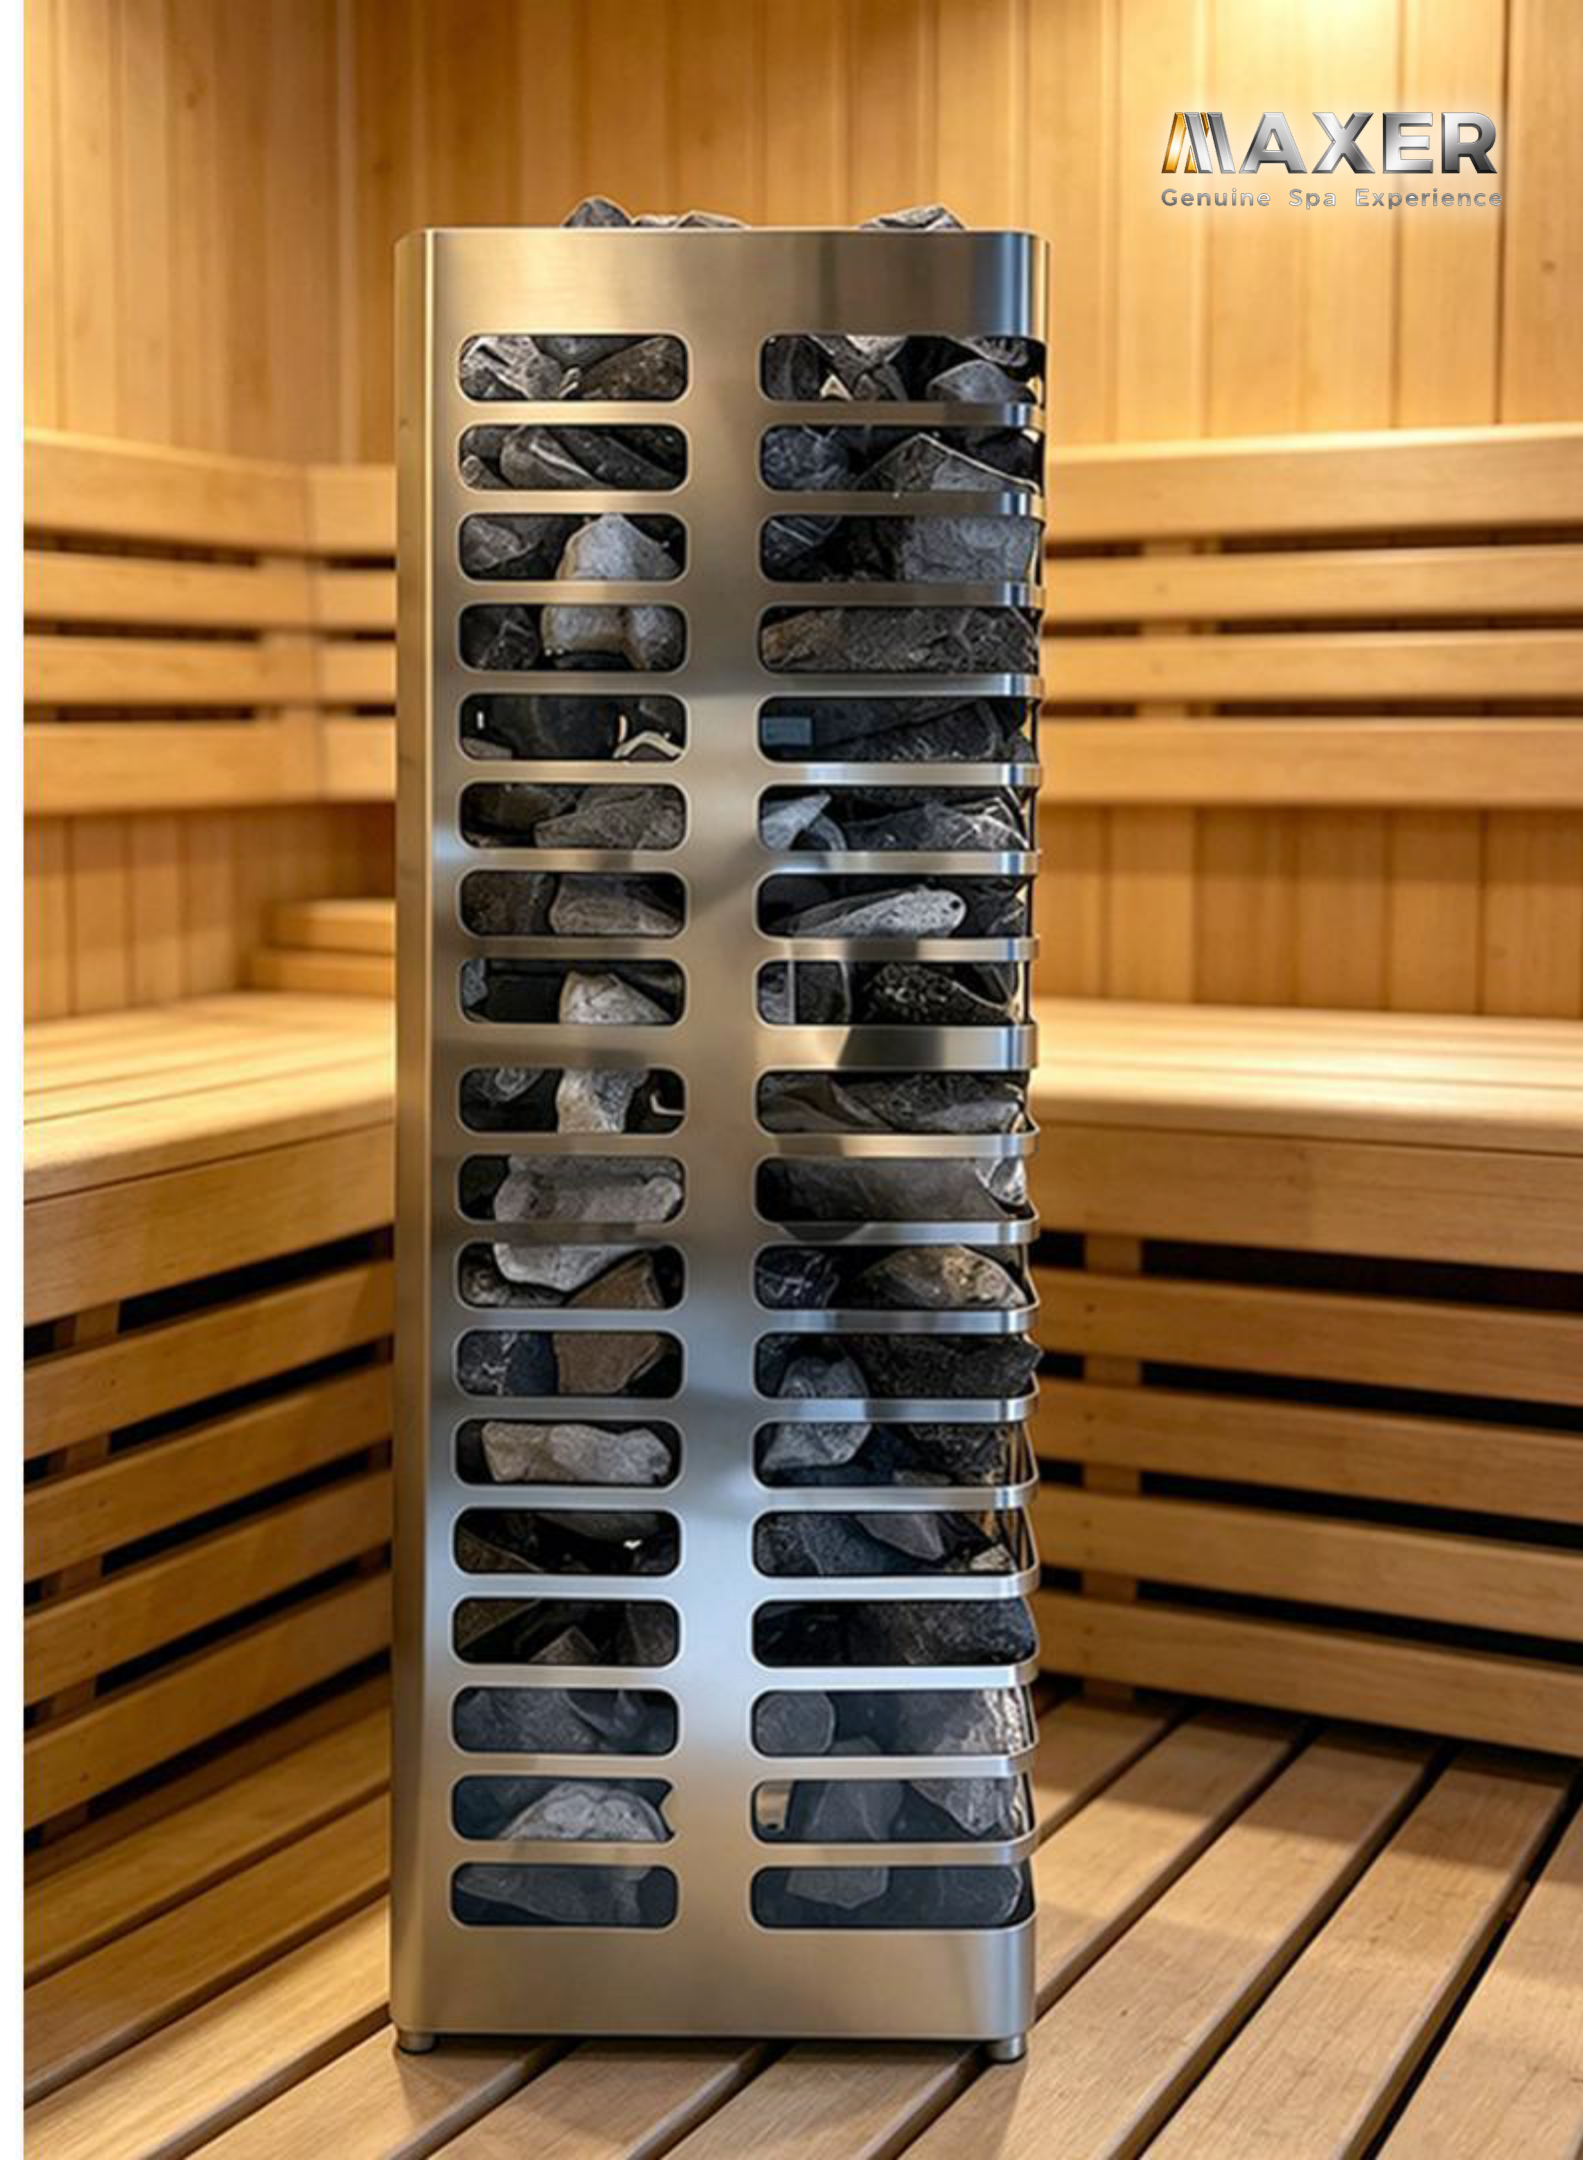

MB9

Features

- Double overheat protector
- Floor mounted design
- Internal circulation system
- Digital control panel
- CE certified (UL standard)
- Incoloy 840 heating wire

Model	Voltage	Power	Suitable room size (m ³)	stone (KG)	Product size	Controller
MB9-50	220V 1Phase	5KW	3-6	45-55	320*340*980	External keypad

MB9-90	380V 3Phase	9KW	10-13	45-55	320*340*980	External keypad

SAUNA Control

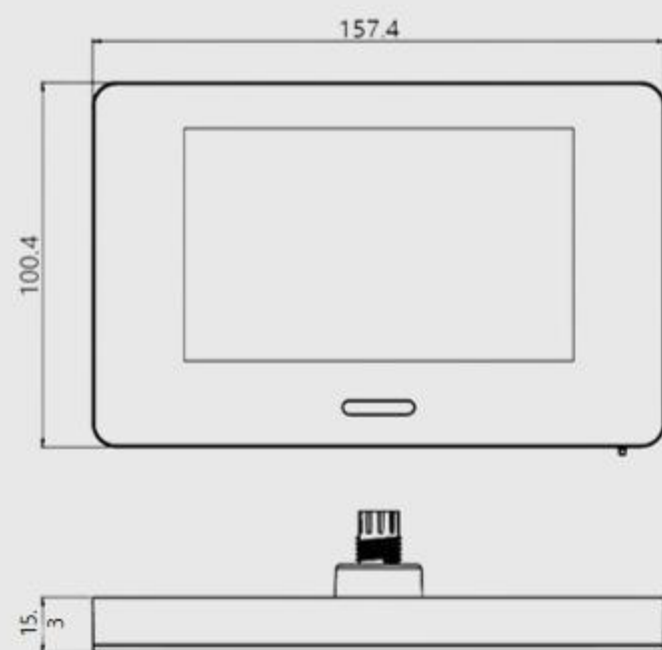

Intelligent way to control sauna

GY308B

Can be paired with Various brands of sauna stoves

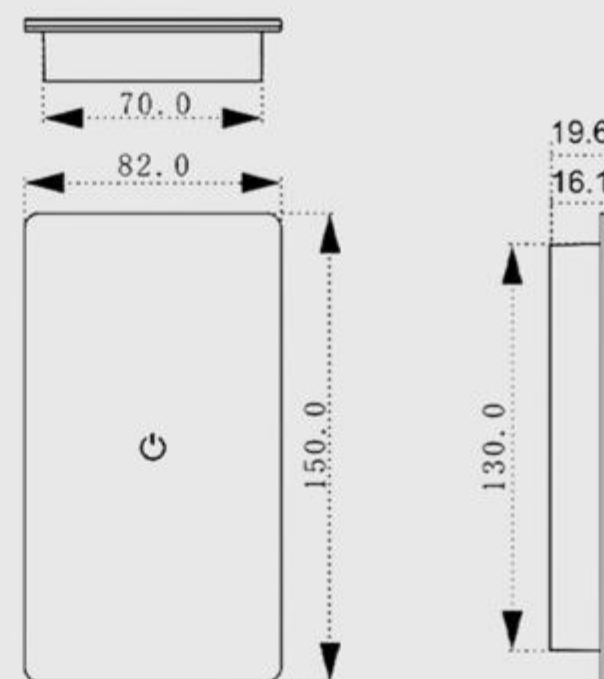

- APP CONTROL
- SAFETY LOCK
- USER PREFER MODE
- ECO
- TIME
- RGB LIGHT
- TEMP
- BLUETOOTH MUSIC

GY101

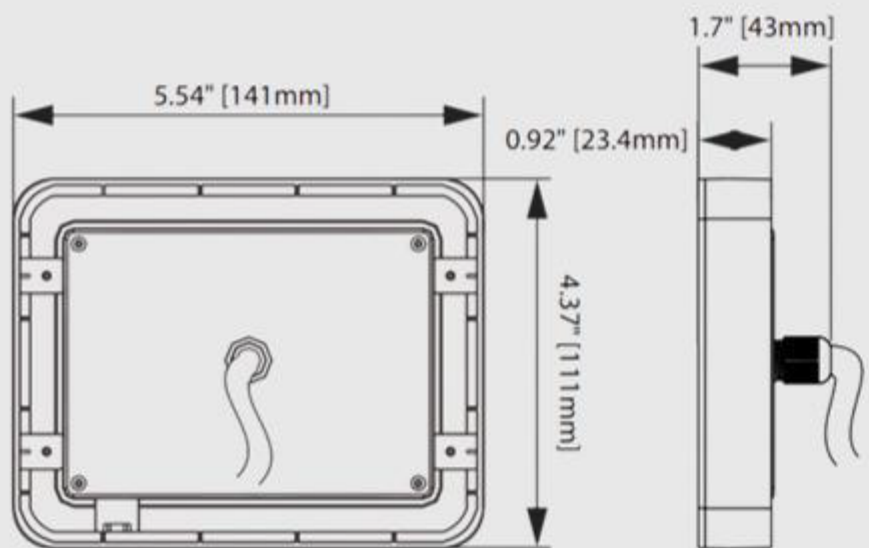

Digital control panel
(waterproof)

- Light
- APP (optional)
- Preset start time
- Sauna TEMP. setting
- Working time setting
- Bluetooth Music
- RGB Light

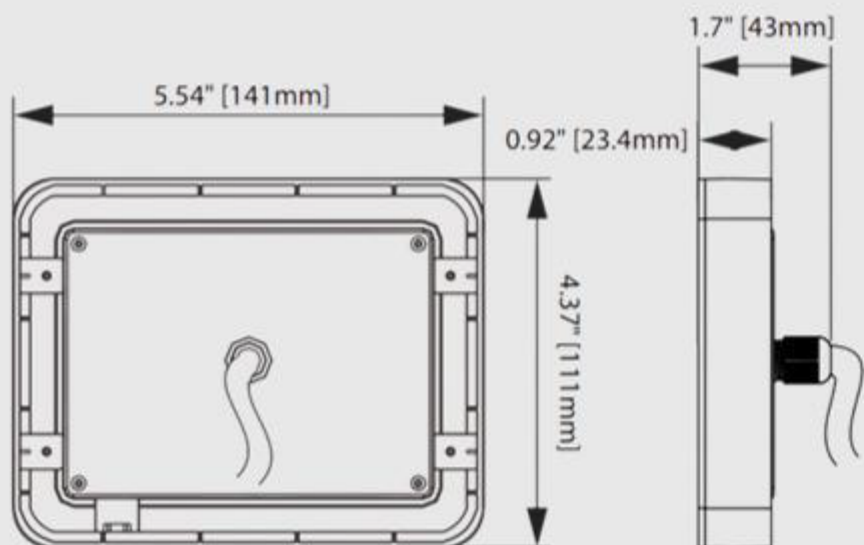

GH8F

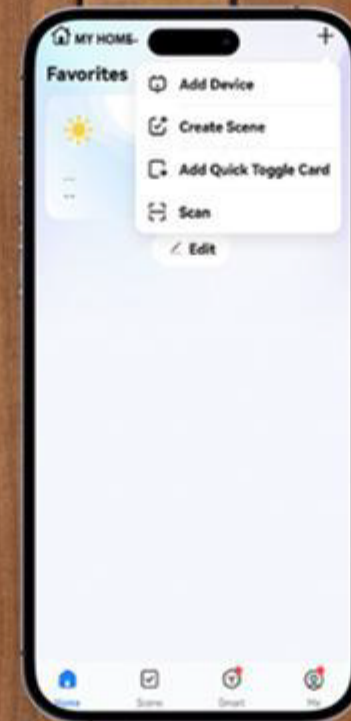

- TIME: Session timer control
- NORMAL LIGHT: CUSTOM AMBIENT LIGHTING
- TEMP: Precise temperature control

GH8S

- Steam Function
- Sauna Function
- Color Light Function
- Temperature Adjustment
- Time Adjustment
- Humidity Adjustment
- Drainage Function
- Internal Circulation Function
- Light Function

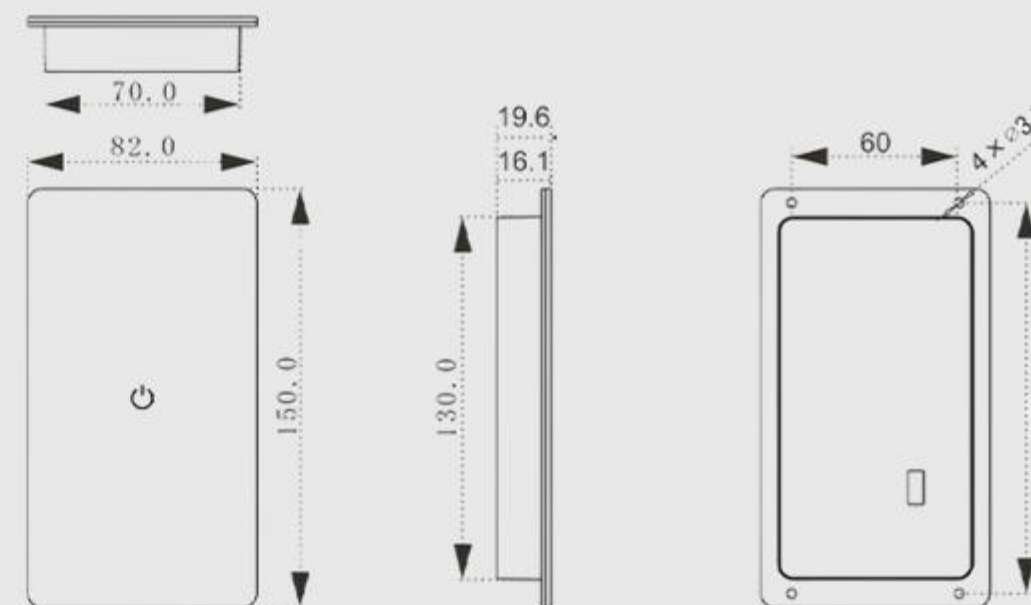

GY309

- Safety Lock
- Memory Function
- Energy-Saving Mode
- APP Control
- Standard Light
- RGB Light
- RGB Light
- User Preference Mode
- Scheduled Start
- Clock Setting
- Humidity Control
- Aroma control

GY20

All-in-One Panel for Dry Steam and Infrared Function

- Light
- APP (optional)
- Preset start time
- Sauna TEMP. setting
- Working time setting
